Dear Member,

We would like to officially welcome you to the 2025 golf season at Lake Mohawk Golf Club. As we do every year, we have so much to be thankful for and look forward to as we chase our golf balls through this historic and beautiful club.

Enclosed you will find an outline of this year's golf program which includes league and tournament schedules, formats and rules. We will continue with many of our historically successful events, but some new highlights this year are:

- “Spring into Action” cocktail reception returns to the schedule on Friday, April 25th.
- All Tournament Sign-ups will exclusively take place through Golf Genius. If you don't see your name when signing up, please contact Ty Hayes.
- ****NEW**** for 2025, we will have tee times on Friday's, Saturday's, Sunday's, and Holidays.

As you can see, we have made some changes for the better and ask that you use this program as a reference throughout the year.

Can't wait for the season to kickoff!

Tee Time Policy for Fridays, Saturdays, Sundays, and Holidays

The Golf Committee has given careful thought to the tee time policy to ensure we preserve the regularly scheduled weekend events. Additional details and sample tee sheets forth coming to share additional detail.

Tee Times from 8:00 am to 12:00 pm on Friday

Tee Times from 7:00 am to 12:00 pm on Saturday, Sunday, and Holidays

We are going to tee times on these days to help with the pace of play and making the round more enjoyable. You will be able to access the tee sheet on the website and the club app.

Tee times will have priority to the first tee. If you do not book a tee time and just show up, we will get you to the first tee as soon as possible. There may be a small wait time.

Please arrive 10 minutes before your tee time and check in with the starter. This will ensure that groups are teeing off on time.

We expect this policy to evolve as we go through the season. Your support will help us to minimize the back ups on the first tee and help us all finish our round in 4 hours and 15 minutes. Please help make this a success by using the tee time booking sheet and feel free to ask if you have any questions.

The pool for each event is the sum of all entry fees less \$1 per player for the year end Shootout and \$4 for the Final Event. For the Final Event, the payout is 40% for First, 20% for Second and 10% for Third, Back and Front Nine. The Ratti Cup winner will get the remaining 10% of the total year end pool. For the Ryder Cup, the winning team will split the total pot for that day.

-Stableford Scoring; 5 points for net Double Eagle, 4 for net Eagle, 3 for net Birdie, 2 for net Par and 1 for net Bogey.

-Ratti Cup Point System; 25 points for entering, plus points for every \$ earned during tournament play. Exceptions are:

If you tie for a place, you receive the points you would have earned if you finished in that place alone.

For Two Man and Four Man Events you earn points equal to the total team payout. The player with the most points at the end of the season wins the highly coveted Ratti Cup!

-Side matches are allowed and encouraged.

-Guests with USGA Handicaps are always welcome and eligible for prize \$. Guests without handicaps are welcome to play but are ineligible for payouts.

-Shootout; There are Closest-to-Pin opportunities for every scheduled event. For every Closest-to-Pin you have during theseason, you get one shot in the Shootout. The shootout takes place on the 9th hole following the Final Event. Closest- to-Pin in the Shootout wins the pot.

-All putts longer than 12" must be putted for points. Pick up if you are out of the hole.

-Non-regular events that are postponed due to weather will be rescheduled to the following Friday.

FREQUENTLY ASKED QUESTIONS

How do I get a handicap index?

First a definition. A ***Handicap Index*** is “The single measure of golfing ability used worldwide.” (USGA defined)

A handicap index will be issued to a player after three 18-hole scores are submitted. Scores can be made up of any combination of 9-hole and 18-hole scores.

To submit a 9-hole score, a player must play 7 to 13 holes under the Rules of Golf. When 14 or more holes are played, the score submitted qualifies as an 18-hole score.

If you are posting a score to ***establish*** a Handicap Index, the maximum hole score is limited to par + 5.

What is the difference between a course handicap and a handicap index?

A *Course Handicap* indicates how many strokes (dots) you receive in a round of golf here at LMGC.

A *Handicap Index* is your handicap that is used should you play on a course other than Lake Mohawk.

What is a “Maximum Score?”

In the old system of obtaining a handicap there was a limited number of strokes that a player could take on each hole. It was called the **ESC** or (**E**quitable **S**troke **C**ontrol.) In 2020 that method of handicapping was replaced.

Now: Net Double Bogey Replaces the ESC.

The maximum hole score for each player will be limited to a *Net Double Bogey*, calculated as follows:

Par + 2 + any handicap strokes that you receive.

Players are encouraged to pick up once their maximum score is reached.

What if I don’t complete a 9- or 18-hole round and need to post a score?

To submit a 9-hole score, a player must play 7 to 13 holes under the *Rules of Golf*. When 14 or more holes are played, the score submitted qualifies as an 18-hole score. **Holes not played:** A score of Par plus any handicap strokes you receive will be used for holes not played.

How do I know how many strokes/dots I get on a hole?

Strokes (Dots on the card) are determined by the difficulty of each hole. Each hole is given a “*Handicap Rating*.” “ A #1 rated hole is the most difficult hole on the golf course and so on until a # 18 rated hole, which is the “easiest” hole on the course. At LMGC, the 8th hole is the #1 Handicap hole for women (the hardest to make par) and the 13th hole is the #18 handicap hole (or the easiest hole to make a par).

Example: If your handicap is 18 here at LMGC you receive 18 strokes or one stroke per hole. If your course handicap is 40 you will “get” 20 strokes/dots on the front 9 holes and 20 strokes/dots on the back 9 holes (= 40 strokes). For the front 9 holes you receive **3** strokes on the 1st and 5th holes because they are the # 1 and # 3 handicap [hardest] holes, and 2 strokes on the other 7 holes (= 20 strokes.)

FREQUENTLY ASKED QUESTIONS

How do I join the Women's Association?

Glad you asked because we love new golfers and golfers of all abilities! We charge an annual fee which entitles you to play golf in all tournaments subject to golf club privileges/remaining rounds and be eligible for prizes and/or you can choose to join in the social activities of the Women's Association such as Mah-Jongg, Book Club, or go out for an evening with the theater group.

In December we have a gala Holiday Party at the club and guests may be invited (for a separate fee).

An annual Women's Association fee will be billed when you first join and annually thereafter.

When do the Ladies' Play golf?

Ladies Day is traditionally on a Wednesday morning. We understand that this does not fit into everyone's schedule so you can play on a Sunday if you wish and still be part of the weekly tournament.

Can I play in a tournament if I'm not a member of the Women's Association?

Very simply no, because annual dues are how we can give weekly & seasonal tournament prizes and host other activities such as the Opening and Closing Days and the Holiday Party in December.

I don't have a handicap yet and I want to play golf. Can I play on Ladies Day?

You are more than welcome to play "after the field" on either Wednesday or Sunday. To post a score, you would play a regulation game of golf after the last of the tournament players have teed off. To be eligible for competing in Women's Association tournaments you would need to join the Women's Association, have paid your annual fee for the season, and establish your handicap.

What is the dress code?

The dress code is the same as the club dress code which can be found on page 5 of the Rules & Regulations document posted in the member area of the LMGC website.
